Mediacom Communications Recognized as a US Best Managed Company

Mediacom Park, NY – April 13, 2021 — Mediacom Communications Corporation is proud to announce it has been selected as a 2021 US Best Managed Company. Sponsored by Deloitte Private and The Wall Street Journal, the program recognizes outstanding U.S. private companies and the achievements of their management teams.

The 2021 designees are U.S. private companies that have demonstrated excellence in strategic planning and execution, a commitment to their people and fostering a dynamic, resilient culture, as well as strong financials, all while facing the uncertainty of the COVID-19 pandemic. Despite major challenges and immense pressure, they continued to lead with purpose and the vision to make significant contributions to their industries, communities, workforces and the economy.

“For over a quarter of a century, the dedicated men and women of Mediacom have worked tirelessly to ensure the smaller markets we serve receive the same or better telecommunications services as America’s largest cities,” said Rocco B. Commisso, Mediacom’s founder, Chairman and CEO. “During this past year, the team at Mediacom has gone above and beyond for our communities by rapidly connecting thousands of homes with low-cost internet services, supporting local food banks and preparing our advanced broadband network to meet the demands of more people than ever before working and studying from home. To be recognized as a 2021 US Best Managed Company in the midst of the economic and operating challenges caused by the coronavirus pandemic is a testament to our employees’ steadfast commitment to the core tenets of our business, and I thank them for making this honor possible.”

Applicants are evaluated and selected by a panel of external judges focused on assessing hallmarks of excellence in four key areas: strategy, ability to execute, corporate culture and financial performance. They join a global ecosystem of honorees from more than 30 countries recognized by the Best Managed Companies program.
